Campus Tidings @ St. Joseph's 2015-16

VISION

Women empowered and liberated through knowledge, for a brave new world of ideal families.

MISSION

Creating an educational environment for the total development of young women in this globalized e-world through value based holistic instruction across a wide range of disciplines and mainstreaming a gender perspective in the national development process.

PRINCIPAL'S MESSAGE

One more academic year has elapsed. As usual, it has been an exciting and enriching one and has seen a flux of activities and achievements. The autonomy challenge was taken head-on and the flurry of related efforts was engaged in with enthusiasm laced with an understandable sense of apprehension. The college awaits with optimism the official declaration of the grant of autonomy by the UGC. The interface meeting for the status of the 'College with Potential for Excellence' has been satisfactorily completed.

The institution aspires to raise the platform of teaching, learning, research, student – support, extension and consultancy, along with the rise in prestige, realizing very well that it would be no mean task. We rest assured that it is possible with the concerted efforts of all the stakeholders, particularly the faculty, staff and students. Together we shall strive for the stars.

Thank you for your continued support

With regards,

Dr. Sr. Christy CHF

Union Inauguration 2015-16

St. Joseph's College, Irinjalakuda is a college for women, affiliated to the University of Calicut and managed by St. Joseph's Educational Society of the Congregation of Holy Family. The congregation was founded in the 1914 by the visionary zeal of Blessed Mother Mariam Thesia, a pioneer in the field of family apostolate, beatified on 9th April 2000. The founding of the college in 1964 under the able leadership of late Mother Josephine, the Superior General, was a memorable event in the history of the congregation. The college, which is an answer to the ever increasing demand for higher education among young ladies, was reaccredited in the third cycle at A level in 2013 by the National Assessment and accreditation Council (NAAC) – an autonomous institution under the U.G.C.

Seven distinguished members of the faculty and staff retire in March, 2016, after years of soulful service. They will be missed deeply, but their legacy will live on in the campus. The college extends its immense gratitude to these stalwarts for stamping a steadfast sign of stellar services. Let these sages now spread wings and soar to horizons wide.

27 July 2015 - An Inauspicious Day

Dr. A.P.J. Abdul Kalam is no more.....

St. Joseph's Pays a tearful homage to the 'Missile Man', the Sadguru of its former Principal, the VVIP Visitor who graced the campus and exhorted the students to dream. may his soul soar on wings of fire and seek solace on the shores of eternity

ASSOCIATION NEWS

CDRL-(Communicable Disease Research Laboratory):-

Major achievements of CDRL include

3 Research Projects, one being funded by U.G.C and the others by K.S.C.S.T.E. are taken up. Director, Dr. Aneesh E M, received the prestigious UGC research award. Colonies of three mosquito species which are the vectors of many deadly communicable diseases in Kerala were established. 11 research articles were published in peer reviewed international journals and 2 international citations were achieved. 5 new species of birds were reported for the first time in Kerala at Kole wetlands of Thrissur. 102 species of butterflies of high altitudes were reported & two of the species were in the IUCN red listed category and six were endemic to Western Ghats. Researchers presented papers in eight national and four international seminars. Mr. Sreedev Puthur won the best research paper award in National seminar – Biovision held at Mercy College. The laboratory has been functioning as a centre of consultancy and offers internship for students at U.G, P.G, M. Phil and Ph. D level. The laboratory has signed MoU with Vector Biology Research Laboratory, Mysore and Unibios India Ltd, Kochi. Two students completed their PG Project and Dissertation from this lab. National Science Day and World Environment Day were observed with various programmes.

The Newsletter 'Campus Tidings' is a Succinet Sum up of the varied endeavors undertaken during the year, ranging from academics and research to co and extra curricular enterprises, campus to community connect, and campus to campus linkages.

The script of the newsletter may appear scanty, but is all fact, and no fiction.

The photo gallery is ample proof of the same.

Leaf through the pages and feel free to evaluate.

Your comments, appreciative or otherwise, are sincerely awaited.
