

National webinar on Global career opportunities organized by Research Department of Commerce in collaboration with Eazy Link Academy

Date 07-08-2020

Venue: Google meet

An online webinar on Global Career Opportunities was organized by Research Department of commerce on 9th June 2020 for 2nd year and 3rd year UG students. There was 150 participants for the session. The webinar was held by Mr. Sony Akkara(Career Consultant). The talk include career opportunities around the globe and also rich experience in career opportunities and placements around the world. It was really motivating, inspiring and thought provoking. He made us aware about the various certifications offered by regulatory authorities and their importance. He told us about the job prospects in banking and financial service sector and the importance of share market. The session ended with a vote of thanks delivered by Fathima A.M
