

DEPARTMENT OF PHYSICS
ST. JOSEPH'S COLLEGE (AUTONOMOUS) IRINJALAKUDA
REPORT ON INTERNATIONAL SEMINAR

Date: 12-01-2023

Venue: Department of Physics

Time: 2:00 pm

Department of Physics of St. Joseph's College (Autonomous) Irinjalakuda organised an international seminar on the topic **OPPORTUNITIES FOR CAREERS IN RESEARCH** on 12th January 2023 Thursday at 2:00 pm. The seminar started with prayer. Welcome address was given by Kumari Anna Maria Tomy (1st year MSc Physics). Later Ms. Mary Gisby Paulose (Head of Department of Physics) addressed the students. Seminar was led by Dr. Sruthy Balakrishnan (Analytical Scientist in Micro Analysis Western Australia) who was a former faculty of the Physics Department. In the session she shared about her personal experiences and the path she had followed to complete her PhD in Physics which focuses on the synthesis and characterisation of hydrogen-rich materials (thermal batteries) for renewable energy storage. She gave ideas and advice to the students about the opportunities in research. Her life story was a great inspiration and motivation for all the students. An interactive section was arranged after the seminar where the students cleared their confusion and doubts regarding the topic. The programme ended with a vote of thanks delivered by Kumari Anna Priya (2nd year MSc Physics).
