

## **Report on bioinformatics workshop conducted by department of Integrated Biology on 9<sup>th</sup> December 2022**

A one day workshop on “basic bioinformatics tools” was conducted on 9<sup>th</sup> December 2022. Dr. Bindiya E S, Post doctoral fellow from the department of Biotechnology, CUSAT was served as the resource person for the program. The program started by 9.30 AM at the Marian Hall in the research block. The department head Dr. Jimtha John welcomed the gathering and the program was inaugurated by our Principal Dr Sr. Eliza and the course coordinator (M Sc Biology Integrated Program) and Head dept. of Botany Dr. Roselin Alex gave the felicitation. The inaugural section was followed by an introductory class on bioinformatics by the resource person. A total of 78 students were participated in the program. Later the hands on training section was conducted in the Computer Application Lab at Marian Theressia Block. The training section was carried out in two batches and the program was winded up by 4.30 PM.
