(Autonomous)

College with Potential for Excellence

Irinjalakuda, Thrissur Dist., Kerala, India - 680 121

Lecture Workshop on Unveiling Diversity: Exploring Varied Dimensions in Life Science

Organized by
Department of Zoology

5th & 6th January, 2024

St. Joseph's College, Irinjalakuda was established in 1964 to impart value based higher education for young women. The college is affiliated to the University of Calicut; awarded Autonomous status and recognized as College with Potential for Excellence by UGC in 2016; re-accredited by NAAC with A++ and is among the top 150 colleges in NIRF ranking of 2023. Over the years, the college, managed by St. Joseph Educational Society of the Congregation of Holy Family founded by St. Mother Mariam Thresia, has emerged to be a prominent social contributor of quality education, women empowerment and transformation. The college is now providing 23 undergraduate and 16 postgraduate programmes spread across arts, science, and commerce. As we embark into the diamond jubilee year, we are persevering to be a beacon of love, light and life through holistic education, research and community engagement.

Department of Zoology had its beginning in 1964 with a Pre-Degree Biology course, and the B.Sc. Zoology programme was started in 1967, and it evolved into a Post Graduate Department in 2014. UG and PG Programmes in Zoology are being offered with Human Genetics as the Elective paper. We encourage the students to aspire for higher realms of knowledge by embracing integrity and biodiversity, to make the world a better place for humanity.

Programme Convenor:

Dr. Vidya G
Head of the Department

Joint Convenor:

Dr. Gigi Poulse

Organizing Committee:

Ms. Juliet OK., Ms. Shibitha Emmanuel,
Ms. PD Deepthi, Ms. Vidya Sadanandan,
Ms. Aswani Das, Ms. Akhila TB, Ms. Madhuri Menon

Registration Fees:

Student: Rs. 150/- Faculty : Rs. 250/-

We welcome you to join us in
exploring the latest advancements,
research and discoveries in the
dynamic field of life science.

Our Speakers

DAY 1

Dr. M. Nasser

Pro Vice Chancellor
Director, DOR
Professor, Department of Zoology
University of Calicut

Impact of Climate Change on
Insect-plant Interactions

Dr. Rajendran Kooloth Valappil

Professor, Department of Zoology
Central University of Kerala

Parasites and Ecosystem
Functioning

Dr. Bibha Choudhary

Professor, Disease Genomics
Institute of Bioinformatics &
Applied Biotechnology, Bengaluru

Comparative Genomics Approach
to Understand Biodiversity

DAY 2

Dr. Mridula Nambiar

Assistant Professor
IISER, Pune

Mechanisms of Chromosome
Segregation During Cell Division

Dr. Sathees C. Raghavan

Professor, Department of Biochemistry
IISc, Bengaluru

Exploiting DNA Repair Mechanisms
for the Treatment of Cancer

Partially Supported by
Indian Society of Cell Biology

Venue
Padma Bhushan Fr. Gabriel Seminar Hall

Department of Zoology
St. Joseph's College (Autonomous)
Irinjalakuda, Thrissur, Kerala 680121

Report on
'Unveiling Diversity: Exploring varied Dimensions in Life science'

A Lecture Workshop titled "Unveiling Diversity: Exploring Varied Dimensions in Life Science" was meticulously organized by the Department of Zoology at St. Joseph's College (Autonomous), Irinjalakuda, Kerala, India, in collaboration with the Indian Society of Cell Biology. The event took place on the 5th and 6th of January 2024, and served as a platform for the multifaceted realms of life sciences.

The inaugural ceremony witnessed the esteemed presence of Prof. M. Nasser, Pro Vice Chancellor and Director of the Department of Research (DOR) at the University of Calicut. Dr. Sr. Blessy, the Principal of St. Joseph's College (Autonomous), Irinjalakuda, presided over the workshop, lending her leadership to the intellectual proceedings.

The focal points of the workshop encompassed the profound impact of climate change on organisms, recent advancements in cancer studies, insights into disease genomics, and various facets of cell biology and genetic disorders. The gathering of eminent experts and scholars ensured a comprehensive exploration of these critical topics.

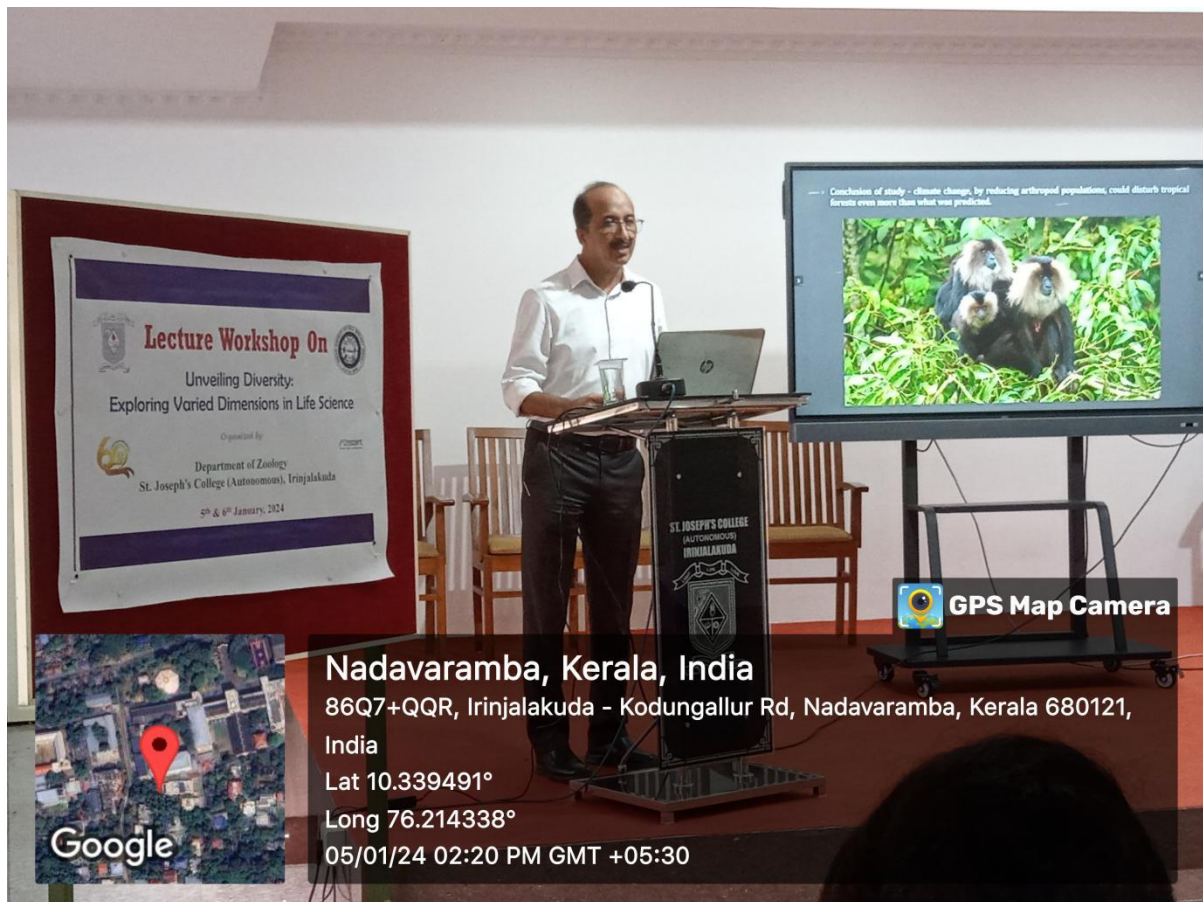

Distinguished resource persons who shared their expertise during the workshop included Prof. M. Nasser, Pro Vice Chancellor at the University of Calicut; Prof. Sathees C. Raghavan from the Indian Institute of Science (IISc), Bangalore; Prof. Rajendran K V from the Central University of Kerala; Prof. Bibha Choudhary from the Institute of Bioinformatics and Applied Biotechnology (IBAB), Bangalore; and Dr. Mridula Nambiar from the Indian Institute of Science Education and Research (IISER), Pune.

The lecture workshop provided a dynamic platform for knowledge exchange and intellectual discourse, contributing significantly to the academic and research endeavors in the field of life sciences. Participants gained valuable insights into the latest developments, fostering a

deeper understanding of the diverse dimensions within this ever-evolving scientific discipline. The workshop concluded with a meaningful interaction between the students and the resource persons, enhancing the overall qualitative experience.

Glimpse from the event

CERTIFICATE

St. JOSEPH'S COLLEGE (AUTONOMOUS), IRINJALAKUDA, KERALA

**COLLEGE WITH POTENTIAL FOR EXCELLENCE
NAAC ACCREDITED WITH 'A++' GRADE**

Certificate

This is to certify that
has participated in the Two - day National Lecture Workshop on *Unveiling Diversity : Exploring Varied Dimensions in Life Science*, organized by the Department of Zoology, St. Joseph's College (Autonomous), Irinjalakuda, Kerala, India on
5th and 6th January 2024

Dr. Vidya G
Programme Convener & HoD

Dr. Sr. Blessy
Principal
