REPORT

Zo-Tribute – National Seminar cum Webinar on ‘Trends in Bioscience’ was organized in loving memory of Ms. Baby J Alappat, Associate Professor and Former head, Department of Zoology. National Seminar cum Webinar was held on 13th July 2022 and 12th July 2022 respectively. For the webinar, the lecture was given by Dr. James Gomes, Professor & Head, School of Biological Sciences, IIT-Delhi on Frontiers in Biology: Mystery of Life & Consciousness. Webinar started with a prayer and welcome address by Dr. Gigi Poullose, Assistant Professor & Head of the Department, and the presidential address by Dr. Sr. Floweret, Vice-Principal and Director of Research. Prof. James Gomes spoke on features of brain particularly cognition and consciousness. He started explaining how the life originated, then on development of creative thinking in animals and after that he explained on the complexities of brain and how it differs in animals and humans. The talk was followed an effective interactive session and at the end of the talk vote of thanks was proposed by Dr. Vidya G, Assistant Professor, Department of Zoology.

Seminar was held on 13th July 2022, at Padma Bhushan Fr. Gabriel Seminar Hall. The talk was given by Dr. T. R. Sreekrishnan, Professor, Dept. of Biochemical Engineering & Biotechnology, IIT- Delhi on ‘Saving the Environment: Evolving Challenges & Potential Remedies’. Presidential address by Rev. Sr. Blessy, Vice – Principal and inaugural address given by Prof T. R. Sreekrishnan, Dept. of Biochemical Engineering & Biotechnology, IIT-Delhi. Dr. Bincy Varghese shared her thoughts about Ms. Baby J Alappat, Associate Professor and Former head, Department of Zoology. Prof. T. R. Sreekrishnan spoke on various environmental problems faced by the world currently, emphasizing on toxic metals, antibiotic resistant bacteria, pharmaceuticals in water etc. He also talked about wastewater treatment. He also emphasized on how managing waste is as important as its production. Session was concluded by an effective interaction with the resource person. Vote of thanks was proposed by Ms. Shibitha Emanuel, Assistant professor, Department of Zoology.
