

INTERNATIONAL WEBINAR ON ADVANCED EXCEL

Organized by

Department of Computer Science and BVoc Software Development

Date: 21-09-2022

Venue: Online (Google Meet)

REPORT OF THE EVENT

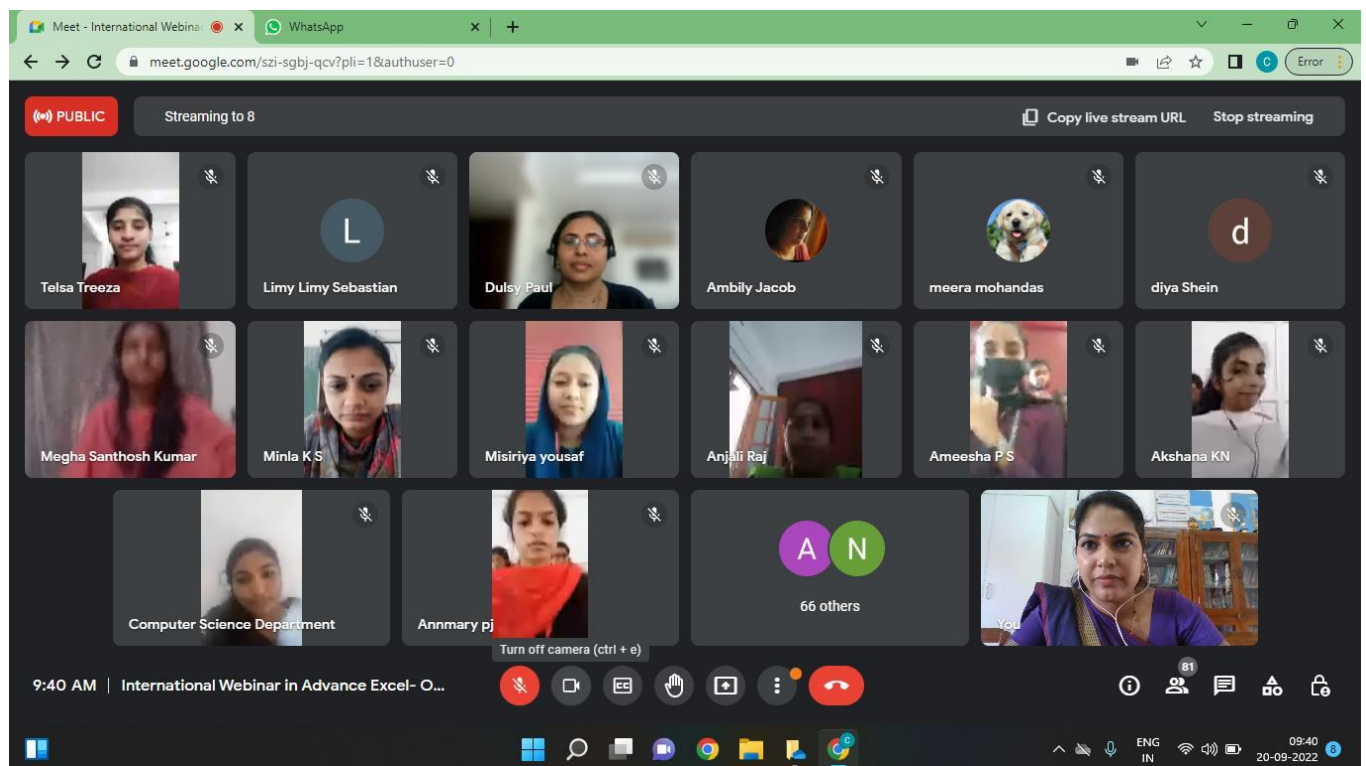

The Computer Science department of St. Joseph's (Autonomous) College, Irinjalakuda organized an international webinar on "Advanced Excel" on 21st September, 2022. The resource person of the webinar was **Dulsy Paul**, Project Manager - IT Service Management (Aviva, Singapore). The webinar was conducted in Google meet platform.

The poster is for an international webinar titled "INTERNATIONAL WEBINAR ON ADVANCED EXCEL". At the top left is the logo of St. Joseph's College (Autonomous), Irinjalakuda, with the text "ST JOSEPH'S COLLEGE (AUTONOMOUS), IRINJALAKUDA" and "Department of Computer Science and B.voc Software Development". Below this is the logo of the Institution's Innovation Council (Ministry of Education Initiative). The word "Presents" is centered. The main title "INTERNATIONAL WEBINAR ON ADVANCED EXCEL" is prominently displayed in large, bold, green and black letters. To the right of the title is a circular portrait of Dulsy Paul, a woman with dark curly hair, smiling. Below the portrait, it says "RESOURCE PERSON" and "DULSY PAUL PROJECT MANAGER - IT SERVICE MANAGEMENT (AVIVA, SINGAPORE)". At the bottom left, it says "DATE & TIME: 20/09/2022 9.30.A.M" and provides the Google Meet link "https://meet.google.com/szi-sgbj-qcv". The Microsoft Excel logo is also visible on the left side of the poster.

The session starts at 9.30 with a prayer by Limi Sebastian, BCA student of the Computer Science Department. Megha Santhosh, BVoc Software development student of the Computer Science Department, formally welcomed all the faculties and students of this webinar. The department made this webinar to make knowledge for all students on Advanced

Excel. Resource person, **Dulsy Paul** clearly done the duty that given by the department to share her knowledge, ideas and experience in Excel. The enormous response was well recognized through the participation of around 100 participants. The session extended for two hour with the guidance of all faculties in the department. At the same time, the department provide YouTube live stream for those who couldn't attend the webinar through Google Meet. (<https://www.youtube.com/watch?v=M70RdSpH6gI>).

In the end, Ms. Telsa, BCA student of the Computer Science Department offered a vote of thanks to all including the Principal, the HOD, resource person and faculty advisors without whom this event wouldn't have been possible and all the invited guests for gracing the occasion by their solemn presence and to all the participants of the webinar who were the main ingredient of this webinar. This session came to an end at 11.20pm.
