

As a part of lecture series in Department of Botany, in collaboration with IIT Guwahati, Assam, Dr. Ajaikumar Kunnumakkara, delivered a lecture on the topic Oral Cancer.

INVITED LECTURE

Dr Ajaikumar B. Kunnumakkara
Department of Biosciences and Bioengineering,
Indian Institute of Technology (IIT) Guwahati, Assam, India

JULY 17, 2018
MMT HALL
09.00 am

HOSTED BY
PG Department of Botany
St. Joseph's College (Autonomous),
Irinjalakuda

TOPIC
**Role of Neutrophil Gelatinase Associated
Lipocalin in the Development of Oral Cancer**

Dealing with cancer is a life changing event for most people. To develop an awareness and knowledge about oral cancer to our students and faculties, Dr. Ajaikumar Kunnumakkara, Department of Biosciences and Bioengineering, Indian Institute of Technology (IIT) Guwahati, Assam, has delivered a speech on 'Role of Neutrophil Gelatinase Associated Lipocalin in the Development of Oral Cancer'.
