Report

The Department of Zoology organized an invited talk on “Career options for life science graduates” on 21st October 2022. The resource person was Dr. Baby Divya, Assistant Professor, Department of Zoology, St. Xavier’s College, Aluva.

The class started at 2 pm in Marian Hall. The session started with a prayer song. HOD of the Department of Zoology, Dr. Gigi Poulse, introduced the resource person. The resource person, Dr. Baby Divya gave a very informative and fruitful class on the career options for life science graduates. She discussed various higher education options, exams that can be attended, various scholarships, and educational opportunities abroad. She also shared her experience in various Universities and her research work. Then the session was open for discussion. She helped clear our doubts about the best universities in Kerala, integrated courses offered by different universities, and so on.

The topic of the session was very important and relevant. The class was a real help to know more about the broad range of career and educational opportunities. This class helped us to make the right choice of higher education and job. The session ended with an official vote of thanks.
