Workshop on Histology and Histochemistry

On 6th February 2023, a one-day Workshop on 'Histology and Histochemistry' sponsored by Autonomy Cell was organized by the Department of Zoology in the Zoology Lab. The workshop was held for the PG students. The resource person was Dr. Pius K. Jacob, Associate Professor, and Head (Rtd.), Department of Zoology, Christ College (Autonomous), Irinjalakuda. The programme began at 10 am with a prayer. Dr. Gigi Poulose, Head of the Department, Department of Zoology welcomed the gathering. The session commenced soon after the welcome note. It was a very useful and informative session.

The workshop was arranged in two sessions. The first session mainly focused on histology, broad steps in histology, objective, etc. Dr. Pius explained in detail about the collection of tissues, methods adopted for fixation, washing and dehydration, dealcoholisation and clearing, paraffin infiltration, sectioning, staining, and mounting. He also explained how the sectioning of tissues is to be done and the different types of staining techniques. In the second session, the area of histochemistry was described wherein the principles of histochemistry and the methods adopted for the localization of carbohydrates and proteins were elaborated. With an interactive session, the doubts of students were clarified. The workshop was concluded by a vote of thanks by Ms. Silvy K. J.
