REPORT ON “WORKSHOP ON WEB DESIGN & HOSTING”
(Held on: 27th July 2019)

As a part of Association activities, the Department of Computer Science had conducted a one-day workshop in the Computer Lab of Sr. Mariam Thresia block on 27th July, 2019 at 9.30am.

The inauguration started with the prayer song. **Ms. Reesha P U**, Head of the department of Computer Science has delivered the cordial welcome address. The resource person, **Mr. Nihith Nath C**, Senior Software Engineer, Tiatech Health Technologies Pvt Ltd, Thrissur inaugurated the function. In the end, **Ms. Eveline Varghese**, Student representative of Computer Science department, offered a vote of thanks.

The workshop had **Mr. Nihith Nath C** and his companion **Mr. Benzon** of Tiatech Health Technologies Pvt Ltd, as speakers and received an overwhelming response of 33 participants from second year of BCA students of Computer Science Department. Students were taught how to design a website using HTML and CSS. The entire session was very informative and interactive. The students also had all their queries solved and doubts cleared by the resource persons, who were always present there to assist them.

By the end of the workshop students were asked to design and develop their own website. The website helped them to have hands-on experience about how actual website designing, development and hosting takes place.
