ACADEMIC REPORT BIRD WATCHING DAY

Organized by

Department of Zoology & CDRL

Department of Zoology and Communicable Disease Research Laboratory in association with Govt. of Kerala, Forest and Wildlife; Social Forestry Division organized a Bird Watching Day on 11th and 12th of November 2017. The program was inaugurated by Prof. K.U. Arunan MLA, Irinjalakuda. The program was conducted in Honour of Prof. Baby J. Alappat, Head, Department of Zoology.

The program included various activities such as Bird watching, Reminiscence of Dr. Salim Ali, Quiz competition, Film Documentary and Field Trip to Pullu, Thrissur. The program was of great importance since birds are inevitable for our ecosystem functioning, wetlands and cultivation management. The program was a great success and vote of thanks was given by Birders Sans Borders members.
