

Report

‘Esforzarse’ was a very innovative and abundant induction programme for the students who want to become a journalist, director, advertiser, choreographer, Public Relation Officer, Cinematographer, editing technicians and also for the students who looking at their careers in journalism. The programme includes ten speakers with their topics of excellence. The speakers are from various subjects of Journalism and Mass Communication programme and they tailoring their ideas of broadcasting, editing, cinematography, documentary production and the various techniques used in the field of journalism with their closer experience in their own fields. All the speakers are present their topics very intensely and fully covered, Department students also eagerly listen to the various topics and sort out their doubts. The session was very live and the students are very satisfied with subject experts. The sessions also gave them theoretical experience as well as practicals. The speakers also ask to maintain the contacts with them for the future career. The programme was started from 12 September 2021 and winds up on 25 September 2021.
