ACADEMIC REPORT
"How to Read Scientific Literature
&
Introduction to Manav – The Human Atlas Initiative”
Organized by
Department of Zoology

A webinar was organized by the Department of Zoology in collaboration with Manav – The Human Atlas Initiative on 18th September 2020 at 10.30 am. The chief guest of the day was Dr. Dhara Patel-Lakhkar (Domain Expert- Science Communication and Public engagement for MANAV project) IISER, Pune. Welcome note was given by Dr. Gigi Poulouse, H.O.D. Department of Zoology, St. Joseph’s College (Autonomous), Irinjalakuda. The session was inaugurated by Dr. Anis. K. V. Principal, St. Joseph’s College (Autonomous), Irinjalakuda. The life science participants from various colleges had participated in the webinar.

The session was started by giving an Introduction about How to Read Scientific Literature and An Introduction to MANAV- the Human Atlas Initiative Women in science. The talk was followed by a doubt clearing session. The session came to an end with the vote of thanks by Dr. Gigi Poulouse. After the same, e-certificates were given to all the participants as well.

The Human Atlas Initiative

A citizen-science initiative to build human atlas by the curation of all available macro to micro-level information from life science literature and public databases.
