'CAREER OPPORTUNITIES AFTER GRADUATION'

Venue : Padmabhooshan Fr.Gabriel Seminar Hall

Time : 2.00 p.m.

The program was started with a prayer song by first year students and the welcome address was given by Ms. Mary Gisby Poulose, HOD, Department of Physics. An eminent resource person, Dr Rahul V. R, a Post-Doctoral Fellow at Soft Condensed Matter Department, Raman Research Institute Bangalore was the resource person of the day who shared his real-life experiences and the students had a great interactive session. There he explained many career opportunities and also explained about his current work, detecting cancer cells using optical tweezers. Thereafter our beloved principal Dr. Sr. Elaiza delivered the felicitation followed by giving a memento. Then the second year students conducted an exciting quiz competition and all the students actively took part in it. Later Ann Mary Antony, Association Secretary shared her words of gratitude.

Dr Rahul has done his B.Sc. in Physics from University of Calicut, Kerala, India and M.Sc. from Hyderabad Central University, India. Then he went to the Indian Institute of Technology Madras, Tamil Nadu, India and did his PhD in Physics, also his Pre-Doctoral Fellowship. Presently he is doing his Post- Doctoral Fellowship at Raman Research Institute, Bangalore, India. He has cleared Physics paper of Graduate Aptitude Test in Engineering and Junior Research Fellow (JRF) list of the National Eligibility Test. He has won best presentation (oral) in physics department symposium held at IIT Madras on 9th Nov 2019, the Prof. A. L. Lashkar memorial prize for best PhD. Thesis in Physics from IIT Madras in July 2022 and the prestigious Alexander Von Humboldt Fellowship for postdoctoral work in Germany which starts from March 2022. He has got a total number of 14 publications.

The session was very helpful and made everyone analyse the various employment opportunities. The students were able to clarify their doubts and make informed decisions about their careers, leading to greater satisfaction and success.
