ENERGY CONSERVATION AWARENESS

Organized by

National Service Scheme

St. Joseph's College (Autonomous), Irinjalakuda

NSS Unit St. Joseph's Autonomous College organized a Rally on NSS Energy Conservation Awareness Rally Program on 05.03.2017. Energy conservation is a part of the concept of Eco-sufficiency. ... Energy can be conserved by reducing wastage and losses, improving efficiency through technological upgrades, and improved operation and maintenance. On a global level, energy use can also be reduced by the stabilization of population growth. Energy Awareness Month is an important opportunity for businesses to reflect on their current energy consumption and explores new ways to streamline their energy use into more sustainable practices.
