ENVIRONMENT DAY CELEBRATION

Organised by
National Cadet Corps
St. Joseph's College (Autonomous), Irinjalakuda

World Environment Day (WED) is celebrated annually on **5 June** and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1974, it has been a platform raising awareness and environmental issues such as marine pollution, human overpopulation, sustainable consumption, and wildlife crime.

As a part of environment day the NCC Cadets of St. Joseph's (Autonomous) Irinjalakuda have conducted a program to spread awareness among the students. On Environment Day GCI Asha Krishnan took a class to the students about the importance of protecting the environment. Then the cadets planted a sapling in the college campus.

HARIYAALI 2019

WORLD TIGER DAY OBSERVANCE

Organized by

National Service Scheme

St. Joseph's College (Autonomous), Irinjalakuda

On 29th July 2019, World Tiger Day was observed by the NSS Units 50 & 167 of St. Joseph's College (Autonomous) Irinjalakuda. As part of the programme, various events were organised by the volunteers. Charts, photographs and drawings were prepared by the volunteers and they were presented in the college portico. The charts contained details about the Tiger Reserves in India and population figures of Tigers throughout India. A short class was also conducted focusing on the status of endangered Tigers and importance of wildlife conservation which was led by Anna Mathew, Professor of Zoology Department. She began her talk by highlighting the significance of studying the basic morphological differences existing among each individual tiger. She also spoke about the issues faced in the study of tigers because of human interference in habitats and also climate change. She also encouraged the students to take up research activities in various issues like man-tiger conflict, characterization of conflict areas to mitigate the tiger attacks which can give us more wide understanding of these creatures. She even showed the audience few memorable captures of various animals by camera trap method set in deep dense forests.

BIODIVERSITY ECOTONE VISIT

Organized by
Department of Microbiology and Forensic Science,
St. Joseph's college (Autonomous) Irinjalakuda

Date: 12th October 2019

Visit of Paaniyelu Poru Ecotone habitat was done as a part of diversity studies on 12-Oct-19. The battle of the water against rocks was evident with the formation of big cracks in the rocks. The diverse animals, birds and insects in this ecotone are conserved and displayed in biological parks of the area. The students were given the task clean the surroundings on the return from the waterfront and maintain the ecosystem with its original Serenity and beauty.

Report
BE A PART OF NATURE- TREKKING ADVENTURE

Organized by
Department of Microbiology and Forensic Science,
St. Joseph's college (Autonomous) Irinjalakuda

Date: 21st January 2020

A field visit and trekking Programme to the Forest Area of Dhoni, Palakkad was arranged for the students of 2018 batch B.Voc Applied Microbiology & Forensic Science Students on 21/1/20. The field visit to the Forest across the challenges of the wild, was indeed a challenge to the students. The event aimed to instigate in students the relevance of conserving environmental heritage of forests, the necessity to conserve the wildlife in forests and to associate themselves to the Mother Nature. The event also gave them a chance to explore the challenges of the wild and revive them with the beauty of the forests, purity of streams and fresh air.
