ST JOSEPH'S COLLEGE (AUTONOMOUS)**ANNUAL REPORT OF EXAMINATIONS****2016-2017****1. INTRODUCTION**

The year witnessed the initiation of the Autonomous Examination Section in the college. The three major sections- The College Examination Cell, Autonomous Examination Cell and internal Examination Cell together under the guidance and leadership of the Chief Examination Controller direct, manage and assess the performance and conduct of examinations in the college. Dr. Bincy Varghese was appointed as the Chief of Examination for the year 2016-2017. Under the initiative and support of the department of Computer Science, an Examination Management Software was developed. The software meets the requirements of examination registration, mark entry and result generation thereby saving manual labor and extra time that can be utilized for additional purposes.

UG SEMESTER WISE RESULT ANALYSIS

6. SUMMARY OF MEASURES TAKEN

- Schedule of exam was fixed after discussion with Principal and dept. Heads
- The end semester examinations under Autonomy were conducted successfully and the result was published on time.
- Special exam for sports NSS and NCC students conducted
- Camp valuation for UG: All the answer sheets are false numbered before valuation. The UG papers were valued by our own teachers with supervision of chief evaluators from nearby colleges in valuation camps conducted in our college. 20% of the papers were revalued by the chief evaluators and the remaining 80% were scrutinized by them.
- Double valuation for PG: All the PG answer scripts are valued by the internal teachers and experts from other colleges. The external examiners are selected from the list given by the Chairman, Board of studies.
- If there is considerable variation in the two valuations (35 % or more) the answer paper is sent for a third valuation and the best two out of three is taken for average.

7. NEW INITIATIVE

- Adopt a new software capable of processing admission, registration, attendance, internal assessment, examination registration, mark entry, and result generation along with mark list and certificate printing
