Glimpses of the College

St. Joseph's college(autonomous), Irinjalakuda is a Christian minority institution affiliated to the University of Calicut, Kerala and is managed by St. Joseph's Educational Society of the Congregation of the Holy Family. The inspirational vision of Saint Mariam Thresia, the foundress of the Congregation of the Holy Family guides the institution to achieve its goals in the field of higher education with the support of pioneer administrators. Established in 1964, the institution stands tall with about 60 years of legacy and service solely built on the philosophy of imparting value-based education for the holistic development of women. Today, the college successfully runs 23 UG, 16 PG and 4 Ph.D. programmes and is a grant-in-aid autonomous college affiliated to the University of Calicut.

VISION

Women empowered and liberated through knowledge, for a brave new world of ideal families.

MISSION

Creating an educational environment for the total development of young women in this globalized e-world, through value based holistic instruction, across a wide range of disciplines and mainstreaming a gender perspective in the national development process.

FOUR YEAR UG PROGRAMME(FYUGP)

The Four-Year Undergraduate Programmes will be the new normal as per NEP 2020. This four year UG programme allows students to choose between a 3 year Under Graduate Degree and a 4 year 'Honours' Degree.

One of the aims of 4 year UG programme is to provide a flexible, multidisciplinary and holistic education model that bridges the gap between the Indian academic system and global education system.

The biggest change under the new framework is the system of major and minor courses within UG programmes

POSTIVE ASPECTS OF FYUGP

- 1** Students can Change their core subject in the second year to one of the other subjects learned in the first year upon interest
- 2** Learn online course and get added in the marklist
- 3** Learn courses without writing exams
- 4** Advanced learners can complete the programme one semester early by doing last sem courses online
- 5** In emergency students can take break and complete the programme within 6 to 8 years depending on the nature of the programme
- 6** Option to take specialization in the third year
- 7** Opportunity to work with industry or higher institute through internship which has credit in the curriculum
- 8** Advanced students can start research in 4th year which can lead to Ph. D later without doing PG.
- 9** Learn Varieties of ability enhancement courses, value added courses, skill enhancement courses and multidisciplinary courses which will be useful in career development
