ANNUAL REPORT OF EXAMINATION

2019-2020

1. INTRODUCTION

Examinations are conducted to ensure the level of concept grasping by the students and help the teachers to direct their efforts towards the area that require more attention. In order to make these procedures more accurate and impartial, the institution adopted methods for question paper generation from the pool of questions in the question bank developed with the aid of the latest software innovation. This academic year the institutional regulations were also reckoned to be changed as per the University regulations in order to synchronize with the educational body.
